Interest Calculation: Gross interest for the period: Principal x Interest Rate x Number of Days - 365. All interest rates are in percentage, on per annum basis of 365 days.

Penalty Rate: In case of premature closure for simple time deposits, the penalty applied by Bank is loss of accumulated interest until that period. The client will benefit only the initial amount of deposit (principal). The Bank reserves the right to change this penalty in every moment displaying in terms & conditions publishing in Bank's branches or official website.

Notes:

- Bank reserves the right to alter deposit rates during the day.
- For saving, current and pledge accounts interest is calculated on scale.
- For savings accounts interest compounding in end of day on January 24 and July 24 for semiannual interest payment and 24 of each month for monthly interest payment, for current accounts in end of day for every 24 of March, June, September, December, for payroll accounts and pledge accounts in the end of day for every 24 of each month.
- Deposit near the bank is insured up to amount 2,500,000 (two million five hundred thousand) lek from Deposit Insurance Agency - www.asd.gov.al
- Negotiable - This term is applied by Bank for high deposit amounts/ long term, where the minimum rate of reference is the value applied to the band / previous maturity.
- Regarding ongoing contracts of 12 months Increase Capital Deposits, which have automatic renewal, the interest rate of the Standard LEK 1 year product slab 50,000 – 5,000,000 will apply
